Um . . . Let's see . . . What's next?!!

Your not paying attention!

I'll Always Remember

MOMENTS

to

REMEMBER

Memories are heartbeats . . . Sounding
through the years . . . Echoes never fading . . .
Of our smiles and tears . . .
Moments that are captured . . . sometimes
unaware . . . Pictured in an album
. . . Or a lock of hair.

Images that linger . . . Deep within the
mind . . . Bit of verse we cherished . . .
Once upon a time . . . Through the musty
hallways . . . Of the days we knew . . . Ever
comes the vision . . . Beautiful and true.

Memories are roses . . . Blooming ever-
more . . . Full of fragrant sweetness . . .
Never known before . . . Life must have
a meaning . . . Goals for which to strive
. . . Memories are lights that burn . . . to
keep the heart alive.
